

Experience life in a motel

www.astonhill.com.au

Aston Hill Motor Lodge

15 Mort Street Port Macquarie NSW 2444
Phone: 1800-235-232

A view of Aston Hill Motor Lodge showing the apartments on the left and the motel overlooking the parkland. The motel is available for a day allowing people to experience what it is like to work and live in a motel.

There are many factors to consider when operating a motel business. It is important that you and your family personally experience the operation of a motel.

Other areas to assess are:

Laundry: Launder your linen or have it sent out to be laundered.

Motel Chain: Operate on your own or through a motel chain. Aston Hill has operated under the Quality Inn franchise within Choice Hotels and is currently a Golden Chain member.

Front & Back Office Systems: It is essential to install systems that are quick, easy to operate and produce the reports required.

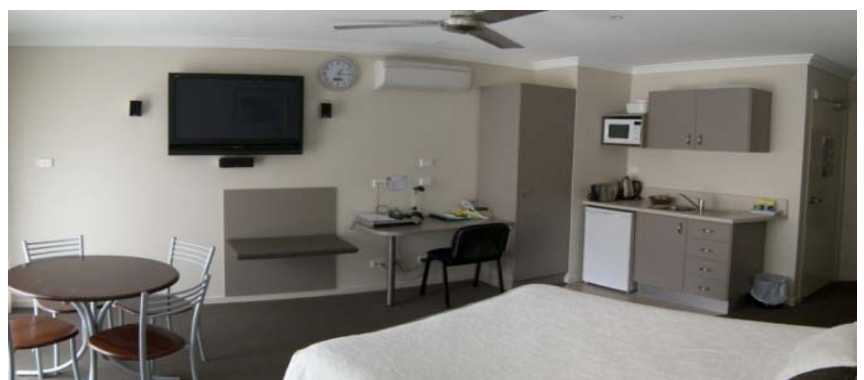

Kitchen: Breakfast preparation and evening meals will have to be done and requires close evaluation.

Cleaning Systems: Effective cleaning systems minimising chemical usage and minimising labour is the ideal scenario.

Cost:

The cost for this experience is \$475.00 Inc GST including two nights accommodation or \$385.00 for one nights accommodation.
